Gilda's Club Simcoe Muskoka

FREE Cancer Support for the Whole Family

The red door to Gilda's Club Simcoe Muskoka has been open since May 2010, and yet even seven years later, there are still so many in our community who ask, "What is Gilda's Club?"

Gilda's Club is a cancer support community for anyone whose life has been touched by cancer. At Gilda's Club, we have made it our mission to ensure that no one faces cancer alone. There is no charge to become a member, and all of the programs offered are 100% FREE of charge for men, women, children and teens. Whether you are dealing with your own diagnosis, or that of a family member or friend, Gilda's Club provides a welcoming, homelike environment, that offers a variety of opportunities to connect with others sharing similar cancer experiences. The programs at Gilda's Club offer something for everyone of all ages: support and networking groups, healthy lifestyle activities (yoga), workshops (art classes, cooking classes), educational lectures (both cancer and non-cancer related topics), and social activities (potlucks, game nights, weekly coffee hours). Gilda's Club currently has over 1400 registered members as part of our program, and the clubhouse receives around 1000 visits each month. Gilda's Club has changed the cancer experience for many in our community.

Gilda's Club Simcoe Muskoka does not receive any government funding, and is 100% supported by donations from the community each year. Donations from individuals, businesses, foundations and events help to keep our red door open, and our program free of charge, for anyone who has felt the impact of cancer in their life.

Gilda's Club is conveniently located at 10 Quarry Ridge Road, across the street from Royal Victoria Hospital and the Simcoe Muskoka Regional Cancer Program. We invite you to come by our Clubhouse for a tour, visit our website at www.gildasclubsimcoemuskoka.org, or call us at 705-726-5199 for further information.
