Gilda's Club Simcoe Muskoka

2015 marks the 5th anniversary for Gilda's Club Simcoe Muskoka. Since opening our signature red door in the spring of 2010, our program of FREE social and emotional support continues to be an essential complement to medical care in our community. Our innovative program provides networking and support groups, education workshops, lectures and social activities FREE of charge to men, women, teens and children, along with their family and friends, whose lives have been impacted by a cancer diagnosis.

Since opening our red door in May 2010, we have continued to see a 50% growth in membership each year, with no indication it will slow down. 55 % of Gilda's Club members reside in Barrie and 45% are located throughout Central Ontario (from Collingwood to Guelph, Kawartha Lakes to Scarborough, and as far north as North Bay).

Our 10,000 sq ft clubhouse is located 100 metres from the Royal Victoria Hospital and the Simcoe Muskoka Regional Cancer Centre. Over the next year, approximately 2,900 people in Simcoe Muskoka, and 4,000 people in York Region will be newly diagnosed with cancer.

Gilda's Club Simcoe Muskoka receives no regular government funding, and all funds to operate our innovative cancer support program are raised from individuals, foundations, events and corporations like yours. Community support is vital to ensuring that our program remains FREE of charge so that no one faces cancer alone.

Gilda's Club Simcoe Muskoka is named in honour of Second City and Saturday Night Live star Gilda Radner, who died of ovarian cancer in 1989. The Mission of Gilda's Club is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action and sustained by community, so that no one faces cancer alone.TM
