Beyond the Red Door Society Pledge Levels

Gift of Friendship

The first level in the Beyond the Red Door Society is a pledge of \$1,000 each year for five years. This “Gift of Friendship” sponsors the cost of the cancer support program for one person for a year. A typical member of Gilda’s Club visits the Clubhouse about 11 times a year to connect with others going through the same experiences, in either the formal support and networking groups, or during community and social activities.

Gift of Empowerment

The second giving level in the Beyond the Red Door Society is \$5,000 a year for five years. The “Gift of Empowerment” will provide the cancer support program to five people in our community who are living with cancer. Around 7,700 people in Simcoe County, York Region and Muskoka will be diagnosed with cancer this year.

Gift of Laughter

The third level in the Beyond the Red Door Society is “Gift of Laughter”, which honours the memory of Gilda Radner, whose honesty and humour in her own journey with cancer inspired the creation of Gilda’s Clubs worldwide. When someone you care about is diagnosed with cancer, you are swept up in the experience as well. This is especially difficult for children, who often have difficulty understanding and expressing the emotions that can feel overwhelming and frightening. A commitment of \$10,000 a year for five years, is a significant contribution to the family and youth programs and Noogieland activities.
