SPRING 2017

CANCER SUPPORT BLOOMS

2017 marks our 7th anniversary year as a cancer support community. Having first opened our doors in May of 2010, it is hard to believe where the time has gone. I recall vividly the frantic push to wrap up construction, waiting on final coats of paint to dry, unpacking furniture, hanging pictures, and putting that first pot of coffee on in the kitchen. The community had greatly anticipated our opening. For months I had received calls and inquiries as the newly hired Program Director, wondering if we were finally offering our program of support. On a sunny May morning, our Red Door opened and cancer support came to our community. In an instant, on day one, people walked through our door seeking support in living with cancer in their lives. In that same day, in that same instant, we were a cancer support community.

We have thrived in the seven years since; there has been no looking back. Having welcomed 170 members our first year we have grown tremendously providing support to over 2000 individuals alone in 2016. The faces of cancer support have and continue to be both many and varied. Cancer does not discriminate whose life it touches. The journeys of each are as unique as their needs for support, a fact readily apparent when we look at the diverse participation across our program in 2016. With our having held over 174 support groups, 123 educational lectures, 53 healthy lifestyle workshops, and 159 social activities last year, this serves as but a small snapshot of how busy our Clubhouse has become over the past seven years.

We continue to see a strong participation of children, youth and families across our program of support, men and women alike. We are proud to share in the journeys of those living with cancer. We accompany them throughout their entire journey, from time of diagnosis through to living well beyond cancer and in bereavement, and for both those diagnosed with cancer as well as their family and friends. We stand with and for those in our community who are not only living with cancer in their lives, but increasingly are also facing the realities of struggling to pay bills, experiencing challenges related to food insecurity and housing instability. In coming through the Red Door, we remain ever committed to our living vision so that no one faces cancer alone.

Great growth brings with it its own unique set of challenges. As excited and committed as the larger community was to bring Gilda's Club Simcoe Muskoka and a cancer support community to the lives and homes of its very own, our sustainability is contingent on their continued generosity. Our vision, so that no one faces cancer alone, is shared by our many friends and neighbours, local businesses and community groups. We exist only because of your generosity. We are sustainable only with your ongoing partnership.

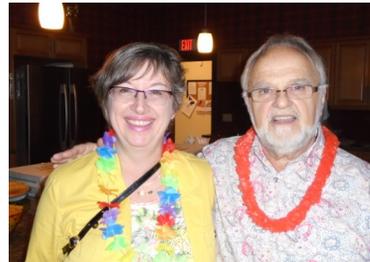

As we cut the ribbon on our new Gilda's Courtyard of Hope this Spring, we celebrate what has been cultivated these last seven years in the way of cancer support and bloom with the promise of what is to come for 2017 and beyond.

Yours in cancer support,

Kristen Dawson

Celebrating 150 Years of Ontario

On Tuesday, January 31st, Gilda's Club Simcoe Muskoka was pleased to host the Ontario150 Community Capital Program grant announcement with Eleanor McMahon, Minister of Tourism, Culture and Sport, MPP for Barrie Ann Hoggarth, and the Ontario Trillium Foundation. Gilda's Club Simcoe Muskoka is grateful to have been selected as a recipient of an Ontario150 Community Capital Grant. The Clubhouse is the hub through which we are able to provide our program of cancer support, free of charge, to all in our community whose lives have been touched by cancer. With the awarding of this generous grant are we able to address some urgent physical building needs around our Clubhouse. This grant will cover these burdensome expenses and allow Gilda's Club Simcoe Muskoka to remain focused in delivering on its vision, ensuring no faces cancer alone.

VOLUNTEER SPOTLIGHT: SUE MITCHELL

I originally became a member of Gilda's Club just over 4 years ago. Our family was going through a difficult time as my 29 year old daughter-in-law had been diagnosed with an inoperable brain tumour. I reached out to Gilda's Club for guidance on how to deal with her diagnosis, and how I could best help my son and grandson. Unfortunately, we lost Erin in 2013. From that experience I knew that I needed to be a part of Gilda's Club in a different way, and decided to become a volunteer.

As a volunteer you have the chance to make a real difference in your community, and the opportunities are endless here at Gilda's Club. My position as a Greeter gives me the chance to interact with an individual or their family when they come through the Red Door. I have had so many great experiences, and have made some truly wonderful connections with people along the way.

I will never forget my first Greeter shift at Gilda's. A gentleman came into the Clubhouse for the first time, and shared that his daughter had been diagnosed with cancer and was ill. I gave him a tour, talked to him about what Gilda's Club could offer, and we chatted over a cup of coffee about our relatable experiences. This is just one of many stories I have to share, and just one of the many reasons I come back to Gilda's almost weekly: so I can help the members through their journey with cancer, whatever that may be. My hope is to brighten their day, even if just for a few moments.

I love working alongside the amazing staff at Gilda's Club, who inspire me every day for all that they do. Gilda's Club has made my experience as a volunteer greater than I could have imagined!
