Hooligans developed a Meal Pack program for families, by preparing and packaging some of our most popular dishes, during the shutdown earlier this year...and it has proved very popular & convenient for busy families!

NEW for 2021 we are excited to partner with 4 meaningful groups in our community that have had fundraising challenges! Through this community sponsorship program, Hooligans will contribute a portion of sales generated each week, back towards each of these organizations!! We thank YOU, in advance, for your participation & look forward to seeing you at our door...picking up one of our tasty Meal Packs for your household...be sure to tell your friends & neighbours!!

HOW IT WORKS

- 1 CHOOSE** which menu items you would like delivered, **Don't forget to pick which salad!**
- 2 ORDER** by email to hoolies@hooligansrestaurant.ca by end of day Tuesday

- 4 PICKUP** on Wednesdays, between 4 - 6pm, at our PICKUP door at the rear of the building on Owen Street

Items are in packaging to be easily heated up, for when your family dines! **Sorry - no substitutions on this special offer!**
